KEY FINANCIAL, INC. >

Patti Brennan has been providing wealth-management services with wisdom and care for almost 30 years. As a recognized leader in her industry, Brennan has been selected as one of the 400 Top Financial Advisers by the prestigious London-based *Financial Times*—and Top 100 Women in America by Barrons—quite the honor for someone right here in West Chester! Brennan believes that financial planning is an evolutionary process, which results in a unique level of trust and comfort, not just regarding each client's financial security, but also the personal well-being of the client's entire family. Recognizing that is what makes Key Financial different.
